(850mm x 2000mm)

Bleed Area
Anything here will be trimmed off, but remember to extend any colouring or images into this 3mm bleed to avoid white lines appearing during the print finishing stages.

Safe Area
Keep all your information inside the white area. Remember to use high resolution images (300dpi) for the best results.

Warning: no text in the grey area
You must extend colouring & images into this area.
Remember to delete or hide this layer when providing us with your PDF for print.
